

March 22, 2014 STAR NIGHT EVENT

Kartchner Caverns State Park

Come spend an evening with your family and friends at the park, and observe the wonders of the night sky through astronomers' telescopes!

Evening Program Starts at 5:30 pm

Dr. David O'Brien, a research scientist at the **Planetary Science Institute** in Tucson, will present "The Giant Asteroid Vesta: Highlights from NASA's Dawn Mission." NASA's Dawn mission completed its year-long orbital exploration of the asteroid Vesta at the end of 2012, and is now on its way to its second target, the asteroid Ceres, where it will arrive in 2015. *After speaker enjoy star viewing!*

What will we see?

Planets, stars, comets, galaxies, and more!

What to Bring

Folding chair, red light, sweater or jacket, enthusiasm to enjoy and conserve our beautiful night skies!

Entrance Fees

\$6 per vehicle (up to four adults) for the night of viewing, instruction and family fun. Camping is available at the park (additional fee). Reserve campsites online at AZStateParks.com
