

# Meteor Madness

with Dr. Sky®

(Steve Kates), a leading authority on the skies, will be your guide at the BEST meteor shower of the year, the Perseids. What makes it so special is that we get to experience the Perseids, with NO MOON... creating the best dark sky conditions for viewing and the best place for viewing is in the Lost Dutchman State Park at the foot of the beautiful Superstition Mountain.

**Wednesday, August 12**

**In the Lost Dutchman State Park**

**6109 N. Apache Trail, Apache Junction, AZ**

**N33.4561 Latitude, W111.4767 Longitude**
