

# OFF-HIGHWAY VEHICLE ADVISORY GROUP (OHVAG)

## 2012 APPLICATION

The Arizona State Parks Board appoints seven volunteer members to the Off-Highway Vehicle Advisory Group (OHVAG/Group). The Group advises the Arizona State Parks Board on OHV issues and trends, the development and implementation of the Off-Highway Vehicle (OHV) Recreation Plan, and project selection for expenditures from the Arizona Off-Highway Vehicle Recreation Fund (ARS §28-1176) and Federal Recreational Trails Program (Motorized Portion) (23 U.S.C. 206). The Group typically meets for 3-5 hours several times annually at locations around the State and members may participate on sub-committees or at selected OHV events throughout the year. Weekday availability may be required. Travel expenses may be reimbursed per state guidelines when funds are available.

Applicants must be an Arizona resident. No more than two OHVAG members may reside in the same county. Five of the seven members positions must be affiliated with an OHV organization. One member position must represent casual OHV recreationists or the general public. One member position must represent a sportsperson's group identified as an organization representing hunting, fishing, or similar sportsperson outdoor activities. The Group strives to maintain diversity in the type of OHV users serving at any time. OHVAG members are recognized as leaders in responsible, safe use; champions for access and managed facilities; and proponents for environmental protection and user education. Review the OHVAG MEMBERS at the State Parks website to determine what positions will be available at the end of any year.

At present, the committee is seeking to fill two (2) positions by March 21, 2012. The selected candidates will represent the affiliation requirements listed below.
